

WAYNE M. GOLDSTEIN, M.D.
CURRICULUM VITAE

Address	Illinois Bone and Joint Institute, LLC The Center for Orthopaedic Surgery 9000 Waukegan Road, 2 nd Floor Morton Grove, IL 60053
Office Number	(847) 375-3000
Fax Number	(847) 929-1176
E-mail	wmgibji@aol.com

EDUCATION

Undergraduate B.S. Degree	University of Illinois (Cum Laude) Champaign, IL	1974
Medical School M.D. Degree	University of Illinois Abraham Lincoln School of Medicine Chicago, IL	1978
Internship	University of Illinois Hospital (General Surgery) Chicago, IL	1979
Residency	University of Illinois Hospital (Orthopaedic Surgery) Chicago, IL	1983
Fellowship	Brigham and Women's Hospital Harvard University Medical School (Arthritic Reconstructive Surgery) Boston, MA	1983
Certificate	National Cancer Institute Human Participants Protection Education for Research Teams	2006
Certificate	Robotic Surgery to Perform Total Knee Arthroplasty (Makoplasty)	2009

PROFESSIONAL APPOINTMENTS

President, CEO, and Founder	Illinois Bone and Joint Institute, LLC Morton Grove, IL 60053	1991-Present
Attending Staff	Holy Family Hospital Des Plaines, IL 60016	1998-2004
Chairman Medical Risk Management	Lutheran General Hospital	1990-1992
Attending Staff	Lake Forest Hospital	1985-2000
Attending Staff	Lutheran General Hospital Park Ridge, IL 60068	1984-Present
Associate Staff	Highland Park Hospital Highland Park, IL 60035	1983-2003
Attending Staff	Skokie Hospital (Formerly) Rush North Shore Medical Center (North Shore University Health System) Skokie, IL 60076	2000-Present Jan 1, 2009
Associate Director Division of Orthopaedic Surgery	Skokie Hospital (formerly) Rush North Shore Medical Center Skokie, IL 60076	2003-2004
Director Division of Orthopaedic Surgery	Skokie Hospital (formerly) Rush North Shore Medical Center (North Shore University Health System) Skokie, IL 60076	2004- Present

CERTIFICATION AND LICENSURE

American Board of Orthopaedic Surgery	Dec 1986
Recertification - American Board of Orthopaedic Surgery	Feb 1995 Feb 2004
Illinois Medical Licensure, License No. 036-059119	1978

ACADEMIC APPOINTMENTS

Oral Examiner	American Board of Orthopaedic Surgery	1996-Present
Clinical Professor Of Orthopaedics	University of Illinois Chicago	March 24, 2000-Present

IMPLANT DESIGN

- Synergy Tapered Hip System.....Smith & Nephew**
- Locking Screw Acetabular Cup.....Smith & Nephew**
- R3 Acetabular System, one of designing surgeon team.....Smith & Nephew**
- Offset Tibia Tray.....DePuy**
 “Method and Apparatus for Surgically Preparing a Tibia for Implantation of a Prosthetic Implant Component which has an Offset Stem.” UNITED STATES PATENT No. 6,355,045 B1
 Gundlapalli, Goldstein, Marcoccio, McCue.....Mar 12, 2002
- Porous Condylar Cage.....DePuy**
- Mach I Instruments.....DePuy**
- High Offset Femoral Stem (S-ROM).....DePuy**
- Cobalt Chrome Modular Knee Tray.....DePuy**
- Minimally Invasive Total Hip Arthroplasty Instrumentation.....Innomed**
- Total Hip Arthroplasty Retractors for Obese Patients.....Innomed**
- Flexible Revision Knee Osteotomes.....Innomed**
- Femoral Neck Elevator.....Innomed**
 Patent pending 2008
- Designer of Suture Cutter with Disposable Blade.....Innomed**
 Patent pending 2008
- Sigma 150 High Flex Total Knee Component.....DePuy**
 One of Designing Surgeon Team 2008

HONORS AND AWARDS

- Phi Beta Kappa University of Illinois, Champaign, IL 1974
- Phi Kappa Phi University of Illinois, Champaign, IL 1974

Alpha Omega Alpha	University of Illinois, Chicago, IL	1978
George C. Fisher Humanitarian Award - Rotary Club		1990
Association of Peri-Operative Registered Nurses (AORN) Annual Writer's Award - Clinical Category "Sequential Bilateral Total Knee Arthroplasty"		March 2001 April 20, 2002
Association of Peri-Operative Registered Nurses (AORN) Annual Writer's Award - Clinical Category "Primary Total Hip Arthroplasty"		December 2003 March 20, 2004
American Academy of Orthopaedic Surgeons Award of Excellence - Scientific Exhibit SE30 "Implant Sizing in the Female Total Knee Arthroplasty"		February 16, 2007
International Relief Effort Volunteer Recognition at Tenth District International Volunteer Fair, Congressman Mark Kirk Dr. Wayne Goldstein, the doctor to the doctors in Sierra Leone		February 16, 2008
American Academy of Orthopaedic Surgeons First Place Poster - Adult Reconstruction Knee P145: "Over-Utilization of MRI in the Osteoarthritis Patient"		March 7, 2008
Media Orthopaedic Reporting Excellence Award (MORE) WTTW Chicago Tonight Segment with Dr. Cole Presented at National Orthopaedic Leadership Conference in Washington, D.C.		May 2, 2008

PROFESSIONAL AFFILIATIONS

American Medical Association	1983
Illinois State Medical Society	1983
Chicago Medical Society	1983
University of Illinois Orthopaedic Alumni Association	1983
Lake County Medical Society	1984
Chicago Rheumatism Society	1984
Illinois Orthopaedic Society	1984
Fellow, American Rheumatism Association	1986
Fellow, American Academy of Orthopaedic Surgeons	1988
Board Member IPA Lutheran General Hospital	1990
Board Member HPO Lutheran General Hospital	1991
Founding Member and Board Member Midwest Orthopaedic Network	1994

The American College of Physician Executives	1995
American Association of Hip and Knee Surgeons	1995
Treasurer Illinois Orthopaedic Society	1998-2000
Secretary Illinois Orthopaedic Society	2000-2002
President Elect Illinois Orthopaedic Society	2001-2002
President Illinois Orthopaedic Society	2002-2003
International Society for Technology in Arthroplasty	2002
American Orthopaedic Association	2007

INVITED LECTURESHIPS

Arthritis of the Knee and Hip – Practical Surgical Management for the 1990's, Orthopaedic Consideration for the Knee, Presented by the University of Louisville, Louisville, KY, Hilton Head, SC, May 1990.

One Stage vs. Two Stage Bilateral Total Knee Arthroplasty, Orthopaedic Consideration For the Knee, Presented by the University of Louisville, Louisville, KY, Hilton Head, SC, May 1990.

Arthroscopy in Patients Over 50 Years of Age, Orthopaedic Consideration for the Knee, Presented by the University of Louisville, Louisville, KY, Hilton Head, SC, May 1990.

Total Joint Replacement in the Obese Patient, Orthopaedic Consideration for Hip and Knee, Presented by the Portsmouth Naval Hospital and the Carolina Medical Center, Williamsburg, VA, May 1991.

Custom vs. Off the Shelf Total Hip Arthroplasty, Grand Rounds, Northwestern University, Chicago, IL, May 1991.

Dealing with Problems of the Hip and Knee, Presented by Duke University, Pinehurst, NC, September 1993.

Co-Chairman (with Ramon Gustilo M.D.), The Geneva Convention – First Annual Hip and Knee Symposium, Lake Geneva, WI, August 19-20, 1994.

Course Faculty Member, Cost Effectiveness of Total Joint Arthroplasty/Arthroscopy of the Degenerative Knee: Challenges in Hip and Knee Arthroplasty, Rancho Mirage, CA, October 20-23, 1994.

Course Faculty Member, Fifth Annual Hips and Knees in the Keys: Total Hip Arthroplasty and Cost Containment, Key Largo, FL, December 2-3, 1994.

Co-Chairman (with Ramon Gustilo, M.D.), Cost Effectiveness of Total Joint Arthroplasty/Prophylaxis of Thromboembolic Disease, The Geneva Convention – Second Annual Hip and Knee Symposium, Lake Geneva, WI, June 2-3, 1995.

Course Faculty Member, Cost Analysis of Total Knee and Hip Arthroplasty/Prophylaxis of

Thromboembolic Disease, Seventh Annual Total Joint Replacement Symposium, Presented by Biomet, Stonehenge Golf Club in Warsaw, IN, August 3-4, 1995.

Faculty Course Member, Current Issues in Total Hip and Knee Arthroplasty/The Inset Patella, Sponsored by The University of Arizona Health Sciences Center and Johnson & Johnson Orthopaedics Loews Ventana Canyon Resort, Tucson, AZ, November 9-12, 1995.

Prevention of Thromboembolic Disease after Total Joint Arthroplasty, Illinois Orthopaedic Society, Chicago, IL, January 19, 1996.

Prevention of Thromboembolic Disease in Orthopaedics, Grand Rounds – University of Chicago Hospital, Chicago, IL, July 31, 1996.

Prevention of Thromboembolic Disease, Grand Rounds – Lutheran General Hospital, Department of Surgery, Park Ridge, IL, August 8, 1996.

Cost Analysis of Total Knee and Hip Arthroplasty Re-Engineering the Process of Care, Grand Rounds – New England Baptist Hospital, Boston, MA, April 17, 1996.

Practical Concepts Total Hip and Knee Revision Arthroplasty, Course Chairman, Sponsored by Northwestern University Medical School and Johnson & Johnson Professional, Marriott Lincolnshire Resort, Lincolnshire, IL, June 14-15, 1996.

Total Knee Arthroplasty – Revision Roundtable: Small Group Discussion, The Westin Mission Hills Resort, Rancho Mirage, CA, April 23-26, 1998.

Technique & Complication Management in Total Joint Arthroplasty, Westin Mission Hills Resort, Rancho Mirage, CA, April 23-26, 1998.

Cost Effective Process of Orthopaedic Care, Course Facility Member, Instructional Course Lecture, Annual AAOS Meeting, New Orleans, LA, March 1998.

Performing a Primary Total Knee Arthroplasty Expediently, Predictably and Cost Effectively, Panel Discussion, CME Sponsored by Education Design, Phoenix, AZ, November 1998.

Femoral Neck Fracture in the Elderly, Lecture, CME Sponsored by Smith & Nephew, Toronto, Canada, June 1998.

Porous-Coated Acetabular Components Screws vs. No Screws, CME Sponsored by Smith & Nephew, Toronto, Canada, June 1998.

Total Joint Replacement, Lecture to the Community, Park Ridge, IL, April 24, 1999.

The Tapered Stem-Rational for its Design, Evolution and Utilization, CME Sponsored by Smith & Nephew, Hip and Knees in Los Cabos, Mexico, June 12, 1999.

Stem Position in Revision Total Knee Arthroplasty, CME Sponsored by DePuy, Lincolnshire, IL, July 30-31, 1999.

Total Knee Arthroplasty Revision Design Meeting, Sponsored by DePuy, Lincolnshire, IL, July 31, 1999.

The Conquest Stem, Southwest Total Joint Meeting, Sponsored by Smith & Nephew, September 1999.

The Contracted Knee, Advanced Techniques in Knee, Hip and Shoulder Reconstruction CME Conference, Hilton Head, SC, September 1999.

Advances in Joint Replacement Surgery, Lecture to the Community, Park Ridge, IL, October 23, 1999.

Total Knee Arthroplasty with Bone Loss, Revision Hip and Knee Meeting, CME Conference, Rancho Mirage, CA, November 12, 1999.

Reimbursement and the Business of Total Joint Replacement, Symposium, AAHKS Meeting, Dallas, TX, November 13, 1999.

Advances in Joint Replacement Surgery, Lecture to the Community, Des Plaines, IL, May 6, 2000.

Clinical Experience with the Tapered Stem, Smith & Nephew Sales Force, Los Cabos, Mexico, June 2, 2000.

Implant Choice Constraint and Stems in Revision Total Knee Arthroplasty and Challenging Total Knees, CME Conference, Sponsored by DePuy, C'oeur D'Alene, ID, September 15-16, 2000.

Difficult Total Knee Arthroplasties, Moderator Panel Discussion, CME Conference, Sponsored by DePuy, C'oeur D'Alene, ID, September 15-16, 2000.

Tapered Stems and Echelon Femoral Revisions, CME Conference, Sponsored by Smith & Nephew, Kohler, WI, October 7, 2000.

Bone Grafting Meeting, Sponsored by DePuy, Chester, England, October, 2000.

Ten-Year Results of Dealing with Medicare Reimbursement for DRG-209: Results of the Final Strategy before Compromising Quality of Care, Illinois Association of Orthopaedic Surgeons Spring Meeting and Education Update, Champaign, IL, April 6, 2001.

Revision Total Knees with Severe Bone Loss, Illinois Association of Orthopaedic Surgeons, Spring Meeting and Education Update, Champaign, IL, April 6, 2001.

Cement Techniques and Recurrent Hip Dislocation and Optivac and Palacos in the Hip, CME Conference, Sponsored by Biomet, Palm Desert, CA, April 27-28, 2001.

PFC Knee Techniques and Followup Patient Care, Education and Hands-On Teaching to Surgeons in Beijing, Shanghai and Hangzhou, China, Sponsored by DePuy, June 16-19, 2001.

Ten-Year Results of Dealing with Medicare Reimbursement for DRG-209: Results of the Final Strategy before Compromising Quality of Care, Sales Training, Smith & Nephew, Inc., Los Cabos, Mexico, June 21, 2001.

Thirteenth Annual Total Joint Replacement Symposium, Bone Cement – Third Generation Cement Techniques, Sponsored by Biomet, Warsaw, IN, August 9-10, 2001.

Palacos Cement, Recurrent Dislocation of the Hip – Prevention and Treatment, Sponsored by Biomet, CME Conference, Olympia Fields, IL, September 7, 2001.

Cemented Synergy Hip Training Seminar, Sponsored by Smith & Nephew, Chicago, IL, October 27, 2001.

Preoperative Case review and Discussion, Total Knee Arthroplasty Primary-PFC Sigma RP, Total Knee Arthroplasty Revision-PFC Sigma, Sponsored by DePuy, CME Conference, Boston, MA, New England Baptist Learning Center, November 16, 2001.

Clinical Experience with the PFC RP Knee, DePuy National Sales Meeting, Tucson, AZ, January 11, 2002.

Synergy Experience/Minimal Incision Total Hip Arthroplasty, Smith & Nephew National Sales Meeting, Indian Wells, CA, January 17, 2002.

Minimal Incision Exposure in Total Hip Arthroplasty, Revision Total Knee Arthroplasty, Patient Selection for Mobile-Bearing Knees, Contemporary Techniques and Issues in Orthopaedics, Sponsored by DePuy, Whistler, British Columbia, Canada, March 7-9, 2002.

Fixed Bearing vs. Mobile bearing Total Knee Arthroplasty, Illinois Association of Orthopaedic Surgeons Spring Meeting and Education Update, Springfield, IL, April 12, 2002.

Rotating Platform Total Knee Arthroplasty, Minimal Incision Total Hip, Issues and Updates in Total Joint Arthroplasty, Sponsored by DePuy, Indianapolis, IN, May 10-11, 2002.

2002 Minimally Invasive Hip Arthroplasty, Sponsored by DePuy, Dallas, TX, June 21, 2002.

The Minimal Incision Approach to Hip Replacement Surgery, Femoral Revisions Using Extended Osteotomies and Extensively Coated Stems, Hips and Knees at The American Club, Sponsored by Smith & Nephew, July 12, 2002.

Advanced Hip Training, Sponsored by Smith & Nephew, Chicago, IL, August 2-3, 2002.

New Options for the Active Arthritic Knee Patient, Sponsored by DePuy, Olympia Fields, IL, September 27, 2002.

Advances in Orthopaedics Symposium, Minimally Invasive Hips, Sponsored by DePuy, Hilton Head, SC, October 4-5, 2002.

Minimal Incision Total Hip – Fact or Fiction? Mobile Bearing Knees, President's Address on Malpractice Insurance and Physician Reimbursement, 2002 IAOS Fall Scientific Meeting, Chicago, IL, October 19, 2002.

Arthritis Foundation Talk to the Community, November 9, 2002.

Minimal Incision Total Hip, Revision of Recurrent Dislocating Hips, Hips and Knees in the Keys, Course Chairman, Sponsored by Smith & Nephew, November 22, 2002.

The Minimally Invasive Total Hip (MITH), Physician Course, Sponsored by DePuy, Dallas, TX, February 21, 2003.

Minimal Incision Total Hip Arthroplasty – The Chicago Perspective, Total Knee Arthroplasty in Young Patients, Physician Course, Sponsored by DePuy, Vail, CO, March 13-15, 2003.

Minimal Incision Total Hip Arthroplasty – Master Series Revision, Physician Course, for DePuy, Rosemont, IL, April 14, 2003.

Minimal Incision Total Hip Arthroplasty and Benefit of the PFC Sigma Knee, MB vs. FB, New England Baptist Learning Center, Physician Course, Sponsored by DePuy, Boston, MA, May 8-9, 2003.

Primary Total Hip Arthroplasty with a Tapered Titanium Stem, Medicare Reimbursement – The Good, The Bad and The Ugly, Physician Course, Smith & Nephew, Los Cabos, Mexico, June 5-7, 2003.

Orthopaedic Grand Rounds Speaker, Northwestern University School of Medicine, June 13, 2003.

Minimal Incision Total Hip Arthroplasty Physician Course, Sponsored by DePuy, Rosemont, IL, June 30-July 1, 2003.

Economic State of Orthopaedic Practice in 2003, Fifth Annual Chicago Trauma Symposium, Chicago, IL, August 8, 2003.

Minimal Incision Hip Surgery, Advanced Hip Training Program, Sponsored by Smith & Nephew,

Chicago, IL, August 15, 2003.

“Digital Radiography in the Orthopaedic Practice” Presented at Fall IAOS Meeting, Chicago, IL, October 25, 2003.

Minimal Incision Total Hip Arthroplasty, Physician Course, Sponsored by DePuy, Rosemont, IL, October 28, 2003.

“Malpractice Blues” Presented at AAHKS Annual Meeting, Dallas, TX, November 1, 2003.

“Weight Loss and Joint Replacement” Presented to TOPS Organization, Chicago, IL, December 2003.

“Minimal Incision Total Hip Arthroplasty” and “Minimal Incision Total Knee Arthroplasty” Physician Course, Sponsored by DePuy, Whistler, Canada, February 12-14, 2004.

“Healthy Body and Healthy Mind” Informational Television Network for PBS, Television Program Participant, February 2004.

“Minimal Incision Total Hip Arthroplasty” Physician Course, 2004 Spring Symposium on Less and Minimally Invasive Surgery (L/MIS), Pittsburgh, PA, April 17, 2004.

Minimally Invasive Hip Replacement American Academy of Orthopaedic Surgeons Course Faculty, Debate with Richard Berger, M.D., Orthopaedic Learning Center, Rosemont, IL, May 7, 2004.

Arthritis Foundation Talk to the Community, “The Latest and Greatest News about Hip Replacements,” Chicago, IL, May 22, 2004.

“Synergy Stem Followup,” Cabo San Lucas Course, Smith & Nephew, June 3-5, 2004.

“Cruciate-Retaining TKR,” C. Ranawat Course, New York, NY, June 10-12, 2004.

Revision Total Knee Arthroplasty Course, Sponsored by DePuy, Rosemont, IL, June 29, 2004.

“Maximizing Performance in the High Demand Patient,” Course Chairman, Sponsored by DePuy, Chicago, IL, July 15-17, 2004.

“Current State of Orthopaedics,” Sixth Annual Chicago Trauma Symposium, August 11, 2004.

Hips and Knees in the Keys Meeting, Course Chairman, Sponsored by Smith & Nephew, Key Largo, FL, November 11-13, 2004.

Transforming Orthopaedics: Technology for Improved Surgical Outcomes, Course Chairman, Whistler, Canada, March 9-13, 2005.

“Total Hip Arthroplasty in Developmental Dysplasia” and “Leg-Length Inequality in Total Hip Arthroplasty” and “Revision Total Knee Arthroplasty – Save the Bone” and “Clinical Experience with Synergy Cementless Tapered Stem,” Sponsored by Smith & Nephew, Santa Barbara, CA, June 9-12, 2005.

Maximizing Performance in the High Demand Patient, “Cruciate Retaining RP Knees: The Results Speak for Themselves” and “Mobile Bearing Revision Total Knee Arthroplasty Benefit and Rationale” and “MITH – The Chicago Perspective” and “Why I Use the Modular Stem,” Sponsored by DePuy, Chicago, IL, July 21-23, 2005.

“Current State of Orthopaedics,” Seventh Annual Chicago Trauma Symposium, Chicago, IL, August 13, 2005.

“The Concept,” Worker’s Compensation Seminar, Chicago, IL, September 22, 2005.

“Controversies in Hip Replacement: Point/Counterpoint,” MON Membership Meeting, Rosemont, IL, October 11, 2005.

Cool Concepts in Hips & Knees Meeting, Course Chairman, “Leg-Length Inequality” and “Exposure Options in Total Hip Arthroplasty” and “Synergy Results,” Sponsored by Smith & Nephew, Charleston, SC, November 17-19, 2005.

Transforming Orthopaedics: Advances in Technology and Techniques, Physician CME Course, “Arthrofibrosis and Wound Care after Total Knee Arthroplasty” and “Cruciate-Saving Mobile-Bearing Total Knee Arthroplasty” and “Leg-Length Inequality” and “Hinged Total Knee Arthroplasty,” Sponsored by Pfiedler Enterprises, Vail, CO, February 9-12, 2006.

Advances in Total Joint Replacement: Indications, Techniques and Pearls, Physician CME Course, “Rotating Platform: My Indications and Review of Literature” and “High Flexion Total Knee Arthroplasty: Design Rationale and Early Results” and “Leg-Length Inequality” and “Managing Bone Deficiency,” Sponsored by DePuy, White Sulphur Springs, WV, May 4-6, 2006.

Contemporary Techniques in Revision Hip and Knee Arthroplasty, Physician CME Course, “The Posterior Hip Approach – MI or Not – Technique and Advantages?” and “How Do I Choose an Acetabular Component?” and “Gender Considerations When Sizing a Total Knee Arthroplasty” and “Why I Use A Mobile Bearing Total Knee Arthroplasty” and “Unstable Total Knee Arthroplasty: Etiology and Management” and “Extensor Mechanism Complications,” Sponsored by DePuy, Chicago, IL, July 27-29, 2006.

Eighth Annual Chicago Trauma Symposium, “Orthopaedic Economics – Our Current Situation,” Chicago, IL, July 28, 2006.

Goldstein W: Webcast to Sales Force: A Forum on Gender and Total Knee Arthroplasty:

Science or Marketing? DePuy Orthopaedics, November 30, 2006.

Annual North American Hip & Knee Symposium, Physician CME Course, "Tapered Stems: When are they Indicated?" and "Modularity: When are they Indicated?" and "Revision of Femur with Bone Loss in Revision Total Knee Arthroplasty," Moderator of Live Emporium Surgery, Copper Mountain, CO, Sponsored by Smith & Nephew, February 1-3, 2007.

Goldstein W: Webcast to Sales Force: A Forum on Gender and Total Hip Arthroplasty, DePuy Orthopaedics, February 8, 2007.

Transforming Orthopaedics: Improving Outcomes through Technology, Physician CME Course, "Digital Imaging in the Orthopaedic Office" and "Gender Issues in TKR: Fact or Fiction?" and "Moderator of Health Care Economics" and "Leg-Length Inequality" and "Mini Posterior Video Technique," Sponsored by Pfiedler Enterprises, Park City, Utah, March 14-18, 2007.

Current Issues in Total Joint Replacement, Physician CME Course, "Cruciate Retaining RP Knees" and "Gender Knees – Marketing Hype or Legitimate?" and "Unstable Total Knee Arthroplasty Etiology and Management" and "Extensor Mechanism Complications" and "Moderator-Accelerating Recovery Hips" and "The Gender Hip," Sponsored by DePuy, Chicago, IL, July 20-21, 2007.

Ninth Annual Chicago Trauma Symposium, "Orthopaedic Economics – Where are we now?" Chicago, IL, July 28, 2007.

Innovative Technology for Joint Replacement Surgery, Physician CME Course, "Health Care Economics" and "Mobile-Bearing Knee – Rationale/Results" and "Gender Issues in Total Knee Arthroplasty," Sponsored by Pfiedler Enterprises, Napa Valley, CA, October 11-14, 2007.

American Osteopathic Academy of Orthopaedics, Forty-Eighth Annual Postgraduate Seminar, Presentation given on "Gender Specific Knees," April 4-6, 2008.

Tenth Annual Chicago Trauma Symposium, "How We Will Survive the Future," Chicago, IL, August 8, 2008.

"Formation of Illinois Bone and Joint Institute," Medical College of Wisconsin, October 30, 2008.

Emerging Technologies in Orthopaedics, "New Preparation of Patella in Total Knee Arthroplasty Improving Biomechanics and Function," University of Illinois at Chicago, November 14, 2008.

"Over-Utilization of MRI in the Osteoarthritis Patient," BlueCross and BlueShield of Illinois, Managed Care Roundtable, Chicago, IL, April 15, 2009.

Eleventh Annual Chicago Trauma Symposium, "Orthopaedic Economics-Now What?" Chicago, IL, July 31, 2009.

Twelveth Annual Chicago Trauma Symposium, "Orthopaedic Economics-The Game Changer, Chicago, IL, August 6, 2010.

17th North American Hip and Knee Symposium, "Moderator "Hot Topics in Hip Arthroplasty", "Do Femoral Necks Solve Anything?", Smith & Nephew Medical Education, Chicago, IL, August 12-14, 2010.

Osteobiologics Symposium, "Principles of Grafting Techniques in Hip and Knee Reconstruction," San Diego, CA, August 19-20, 2010.

AAOS Practice Forward: Managing your Practice Ahead of the Curve #3828, "Mergers-A Case Study," Chicago, IL, September 24-26, 2010.
