

# Curriculum Vitae

---

**James M. Hill, M.D., M.S.**

Illinois Bone & Joint Institute LLC  
1300 E. Central Road  
Arlington Heights, Illinois 60005

## HOSPITAL AFFILIATIONS

---

Northwest Community Hospital  
*Attending Staff*  
Arlington Heights, Illinois  
1995-Present

St. Alexius Medical Center  
*Attending Staff*  
Hoffman Estates, Illinois  
1998-Present

## EDUCATION

---

Creighton University  
B.A., Chemistry  
Omaha, Nebraska, 1979-1983

Creighton University School of Medicine  
M.D.  
Omaha, Nebraska, 1985-1989

Creighton University Graduate School  
M.S., Biochemistry  
Omaha, Nebraska, 1983-1985

## ACADEMIC RESPONSIBILITIES

Medical School, Medical Biochemistry Course, Tutor

Residency, AO/ASIF Workshop for Operating Room Personnel, Instructor

Residency, Orthopaedic Series, University of Nebraska, Lecturer

## POSTGRADUATE TRAINING

---

### RESIDENCY

Creighton-Nebraska University Health Foundation  
Orthopaedic Surgery Residency Training Program  
Omaha, Nebraska  
1989-1994

## **FELLOWSHIP**

---

San Francisco Shoulder & Upper Extremity Fellowship  
California Pacific Medical Center  
San Francisco, California,  
August, 1994-August, 1995

## **HONORS AND AWARDS**

---

Henry W. Meyerling, M.D. Annual Essay Award Winner  
The American Fracture Association, Third Place, May 1995

Nomination, Neer Award  
"Factors Affecting Outcome in the Treatment of Displaced Middle Third Clavicle Fractures"  
Presented at American Shoulder and Elbow Surgeons, Eleventh Open Meeting  
Orlando, Florida, February 19, 1995

## **CERTIFICATION**

---

American Board of Orthopaedic Surgery, July, 1997

National Board of Medical Examiners, July, 1990

## **LICENSURE**

---

State of Illinois, IL 036-091606

## **MEDICAL SOCIETIES**

---

American Academy of Orthopaedic Surgeons, Fellowship Member

## **MEMBERSHIPS**

---

- American Fracture Association
- American Medical Association
- American Society for Shoulder and Elbow Surgeons
- Mid-America Orthopaedic Association

## **PROFESSIONAL ACTIVITY**

---

- Fifth Annual Global Total Shoulder Prosthesis Clinical Study Investigator Meeting
- AAOS Annual Meeting, Atlanta, Georgia, February 1996

## **PUBLICATIONS**

---

Hill, JM: Ion-Exchange High-Performance Liquid Chromatography in the Isolation of Neurotoxins from *C. Sculpuratus*, Master's Thesis, Creighton University, 1986.

Hill, JM: Fractures of the Shoulder. Orthopedic Secrets. Brown, DE, Neumann RD eds. Philadelphia, PA: Hanley & Belfus, 1995.

Hill, JM, Crosby, LA & Walz, BW: "Factors Affecting Outcome in the Treatment of Displaced Middle Third Clavicle Fractures." Submitted for publication in Journal of Bone & Joint Surgery. Nominated for Neer Award.

Hill, JM, McGuire, MH & Crosby, LA: "Closed Treatment of Displaced Middle-Third Fractures of the Clavicle Gives Poor Results." Journal of Bone & Joint Surgery (Br) Vol 79-B, No. 4, pp. 537-539, 1997.

Hill, JM and Phillips, EP: "Cervical Pain Secondary to Atlanto-Occipital Fusion in a Swimmer." Orthopedics, Vol 20, No 3, pp. 270-271, March 1997.

Hill, JM: Chapter entitled "Indications" in Total Shoulder Arthroplasty. American Academy of Orthopaedic Surgeons Monograph Series. Crosby, LA, editor. Pp. 17-25, copyright 2000.

Hill, JM and Norris, TR: "Long-Term Results of Total Shoulder Arthroplasty Following Bone-Grafting of the Glenoid." The Journal of Bone & Joint Surgery, Vol 83-A, No. 6, pp. 877-883, June 2001.

Hill, JM and Norris, TR: Chapter entitled "Open Rotator Cuff Repair" in Atlas of Shoulder Surgery. Martin Dunitz Publishers. Fu, FH and Ticker, JB, editors.

Hill, JM and Norris, TR: Chapter entitled "Rotator Cuff Disease: Open Repair Techniques" in Operative Orthopaedics: Principles and Practice. Appleton & Lange, publishers. Zuckerman, JD, editor of Shoulder and Humerus Section.

## **PRESENTATIONS**

---

"The Results of Treatment of Rotator Cuff Tears". Tom R. Norris & James M. Hill. Presented as Instructional Course Lecture at AAOS Annual Meeting, Orlando, Florida, January 1995.

"Factors Affecting Outcome in the Treatment of Displaced Middle Third Clavicle Fractures." Presented at American Shoulder & Elbow Surgeons 11<sup>th</sup> Open Meeting, Orlando, Florida, February 1995. Nominated for Neer Award.

Third Place, Henry W. Meyerling, M.D. Annual Essay Award Winner, The American Fracture Association, May 1995.

“Shoulder Arthroscopy.” William F. Zwilling & James M. Hill. Presented at What’s New in Orthopaedics? at Northwest Community Hospital, Arlington Heights, Illinois, October 1995.

Long-Term Results of Bone Grafts for Glenoid Deficiency in Total Shoulder Arthroplasty”. James M. Hill & Tom R. Norris. Presented at AAOS Annual Meeting, Atlanta, Georgia, February 1996.

Long-Term Results of Bone Grafts for Glenoid Deficiency in Total Shoulder Arthroplasty.” James M. Hill & Tom R. Norris. American Shoulder and Elbow Surgeons, Twelfth Open Meeting, Atlanta, Georgia, February 1996.

Faculty, Fifty Annual Global Total Shoulder Prosthesis Clinical Study Investigator Meeting for DePuy, Inc. during AAOS Annual Meeting, Atlanta, Georgia, February 1996.

“Current Concepts on Shoulder Surgery”. Presented at Monthly Seminar of Chicago Metropolitan Chapter of NAON, Chicago, Illinois, September 25, 1996.

“Special Complications of Fractures, Dislocations & Penetrating Trauma.” Presented at Seminar of Upper Extremity and Hand Emergencies: Management Pearls of the Illinois College of Emergency Physicians, Arlington Heights, Illinois, November 8, 1996.

Faculty, 3M Agee Carpal Tunnel Release System Surgical Skills Workshop, Chicago, Illinois, February 1997.

“Special Complications of Fractures, Dislocations & Penetrating Trauma.” Presented at Seminar of Upper Extremity and Hand Emergencies: Management Pearls of the Illinois College of Emergency Physicians, Arlington Heights, Illinois, November 1997.

“Tibial Ex-Pilon, Plateau & Instruments”. Presented at Advanced Orthopaedic Workshop, Synthes/AO, Arlington Heights, Illinois, January 24, 1998.

“Dem Bones”. Presented Arlington Heights Senior Center, Arlington Heights, Illinois, May 1998.

Faculty, Advanced Techniques in Open and Arthroscopic Shoulder Surgery, AAOS Orthopaedic Learning Center, Rosemont, Illinois, April 28-30, 2000.

Faculty, Global Advantage Shoulder Arthroplasty System, Rosemont, Illinois, October 30, 2000.

“Long Term Outcome of Clavicle Fractures”. Presented at Eastern Orthopaedic Association Thirty-Second Annual Meeting, Southampton, Bermuda, October 12, 2001.

Faculty, “The Shoulder: Open and Arthroscopic Techniques”, AAOS, Rosemont, Illinois, 5/30-6/1/03.

Faculty “Twenty-second Annual San Diego Shoulder Course-Lectures”, Tri City Medical Center, San Diego California, 6/22-6/25/05.
