## Profile

Emily is a graduate from St. Ambrose University in 1999. She joined the IBJI Rehab team of Bradley. Emily comes with a vast array of experience from treating upper extremity diagnosis, rehab, wound care, and lymphedema/breast cancer patients. Emily is certified in Lymphedema therapy. Emily feels that laughter is the best medicine and tries to engage her patients during their rehabilitation process. She prefers a collaborative model where the patient is actively involved in their rehabilitation. Outside of work Emily enjoys spending time with her family, crafting, and being outdoors.
