Profile

Jason has been practicing for 14 years in the outpatient Physical Therapy setting. Jason graduated from Illinois State University with a Bachelor of Science in Athletic Training in 2007. He went on to earn his doctorate degree in physical therapy from Governors State University in 2012.

Jason has taken several continuing education courses to further gain knowledge on orthopedic pathologies, joint mobilizations, workers compensation, Vestibular Rehab, Concussion Management, instrument assisted soft tissue mobilizations (IASTYM) and kinesio taping techniques. He has certifications in concussion management and Blood Flow Restriction therapy.

Jason has experience in both the treatment of non-surgical and post-surgical injuries. His clinical experience includes treating musculoskeletal pain, sports related injuries, work hardening, concussions, positional vertigo and postural / body mechanics education. He provides hands-on care and instruction to allow his patients to achieve their goals. He prides himself in creating a family centric environment for the workplace.

In his free time, Jason enjoys spending time with his 3 children, the outdoors, fishing, traveling, gardening and sports.
