Profile

Zoe Goldhirsh OTR/L is a graduate of Indiana University's Department of Occupational Therapy. Since the beginning of her schooling she has been fascinated by upper extremity rehabilitation and has had wonderful clinical experiences within the field.

Zoe is passionate about working closely with patients and doctors to optimize functional outcomes and satisfaction throughout the rehabilitation process. She is thrilled to join the IBJI team as an occupational therapist and eventually fulfill her desire to become a certified hand therapist.

Education

- Bachelor of Science in Kinesiology, Indiana University
- Master of Science in Occupational Therapy, Indiana University
