Profile

Mary Claire Bannon, OTR/L, joined the IBJI rehab team in June 2020. She graduated from Saint Louis University with a Master of Occupational Therapy and a Bachelor of Occupational Science. She grew up in Arlington Heights, IL, where she discovered her love for occupational therapy and helping people at an early age. In her free time, she enjoys crocheting and traveling.

Mary Claire is passionate about treating her clients with holistic care by including mental health, personal environment, creativity, and evidence-based research in her treatment plans. She looks forward to collaborating with her clients to achieve their specific wants and needs. Mary Claire is excited to be treating a wide variety of people and diagnoses while working towards becoming a Certified Hand Therapist.
