Profile

Beverly Ortiz has been a physical therapist for over 20 years. She received her Doctorate of Physical Therapy degree from Utica College New York in 2016. She also has a degree in Bachelors of Science in Nursing which she acquired in 2007. As a physical therapist, Beverly has treated a wide variety of patients in an acute, sub-acute and out-patient settings. She continues to strive in the enhancement and growth of her career. This is the very reason why she joined Illinois Bone and Joint Institute, known to provide their employees vast opportunities for professional growth and development.

Education

- Bachelors of Science in Nursing
- Doctorate of Physical Therapy, Utica College
