## Profile

Madison joined the IBI rehabilitation team in July of 2021. She graduated from the University of Wisconsin-Whitewater with a B.S. in Psychology before completing her Doctorate in Occupational Therapy from Midwestern University in Downers Grove. Madison's previous clinical experiences include outpatient orthopedics and hospital inpatient rehabilitation. She believes that a collaborative and individualized approach to therapy leads to the best possible outcomes for her patients. Her goal is for each patient to be able to do everything they need, want, and love to do by the end of the therapy process.

In Madison's free time she likes to spend time with her dogs and doing any home DIY project that she can get her hands on.

## Education

- Bachelors of Science in Psychology, University of Wisconsin-Whitewater
- Doctorate of Occupational Therapy, Midwestern University - Downers Grove
