## Profile

Jackie Stahl, PTA has been practicing since 2011 and has been working with the Illinois Bone & Joint Institute since 2015. Prior to beginning at the Illinois Bone & Joint Institute Jackie spent the first three years of her career in a sub-acute setting. Originally from Chicago, Jackie lived in Delray Beach, FL where she attended college at Florida Atlantic University and South University. She received her bachelors degree in Exercise Physiology from Concordia University in St. Paul Minnesota.

Jackie enjoys treating a wide variety of diagnosis with a special interest in hip labral repairs, ACL reconstruction, joint replacements, and shoulder injuries. Jackie played on a travel flag football team for over 4 years and is interested in treating athletes. In her spare time, Jackie enjoys traveling, exercising, and spending time with her family and her dog Lambeau.

## Education
