Profile

Brittany is a graduate of Chapman University's Doctorate of Physical Therapy program and joined the IBI team in January 2019. Brittany enjoys treating a wide variety of orthopedic diagnoses, including post-operative injuries. She has a special interest in working with athletes that participate in overhead sports, like baseball and softball, being a former softball player herself.

Originally from Orange County, California, Brittany completed her undergraduate degree at DePaul University where she was a member of the softball program for 4 years. She returned home to complete her Doctorate degree in physical therapy, but found her way back to the Chicagoland area. In her spare time, Brittany enjoys spending time with her family, reading, and traveling back to California to visit family.
