Profile

Lauren started with IBJI as a rehab technician at the Des Plaines clinic while completing her education. Lauren received her Associates degree as a PTA from Oakton Community College after receiving a Bachelor of Science in Biology from Lewis University in Romeoville, IL. She is an active member of the American Physical Therapy Association.

Lauren is excited to continue her career with IBJI as a PTA and utilize the skills she learned over the course of her schooling. Lauren enjoys treating a vast variety of orthopedic diagnoses. She believes in incorporating evidence based practice with her patients to ensure they meet their maximum functional potential.

Lauren is fluent in Polish and is a 1st generation American whose parents immigrated to the U.S. from Poland. Lauren enjoys staying active, spending time with family/ friends, and watching old movies. Lauren is also an avid soccer fan and watches soccer games whenever she can.

Education

- Bachelor of Science, Biology, Lewis University
